

KingsWay School

To be a Christian community of learning that nurtures young people towards their full potential as servant leaders in the Kingdom of God.

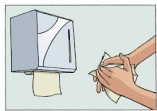

PREVENTING THE SPREAD OF COVID-19

All students, staff and visitors to KingsWay School should take the following precautions to help stop the spread of Covid 19

Wash hands thoroughly for 20 seconds using soap and water.

Dry hands completely using disposable paper towels where possible.

Put the tissue in the bin. Try not to touch the top of the bin if possible.

Cough or sneeze into a disposable tissue

Put the tissue in the bin. Try not to touch the top of the bin if possible.

Cough or Sneeze into the inside of your elbow if no tissues are available.

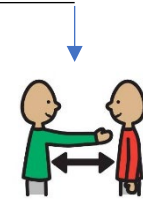

Are you feeling sick?

Ring the Healthline on 0800611116. They will advise you if you need to go to your doctor.

Stay at home in bed. Do not come to school until you feel well again or have been cleared to by your doctor.

Remember to give each other their personal space. If someone is sick, but they don't know it, there is less chance to spread germs.

Don't shake hand, kiss or hug somebody to greet them. Just say hello. No offence will be taken when germs are spreading.

If you're visiting the school, could your inquiry be made by telephone rather than coming into the school?
