Message from the Head of Middle School

Dear Parents

A warm welcome to both returning and new families to the KingsWay Middle School community. I trust 2018 will be a significant and beneficial year in the growth and development of your child in the middle school. This year is the 32nd year of KingsWay School and the school mission statement is as pertinent today as it was in the past.

"To be a Christian community of learning that nurtures young people towards their full potential as servant leaders in the kingdom of God."

A few thoughts from the mission statement that reflect what Kingsway Middle School is about. First we are a Christian community of learning. In this community of learning it is not wrong for our students to ask: What will I learn? How will the teacher help me? Will I be engaged and motivated? The danger lies in our young people believing that they are only recipients or consumers of education rather than playing an important role of contributing to a learning community. What a young person contributes to enhance aspects of a community is as significant as the growth of the young person within the community.

Second that nurturing young people is intrinsically connected to providing opportunities for them to grow in the most essential aspect of who they are, to grow in their heart and spirit. This does not down play the significance of achieving in academic learning areas. Rather we recognise that a Christian community of learning it is not restricted to measures of learning alone - it encompasses the whole person, body, mind and soul.

It is evident pursuing the essence of the mission statement is not an easy task therefore your prayers and support are invaluable to us. On behalf of the Middle School teachers and staff thank you for being part of our community and we look forward to a year filled with expressions of the mission statement.

God bless,

Michael Moimoi

Communicating with Teachers

- Wherever possible, use email to correspond with the homeroom teacher. Teachers are only expected to answer school emails between 8.30am and 5pm. If you do not have a response within this timeframe, please use a different means to communicate.
- If the issue is more serious or confidential you can arrange a personal interview with the person you wish to see by emailing them directly or phoning the main office. The Head of Learning Area (HOLA) or Dean may be contacted (see page 13). Contact information for all Middle School teachers appear on page 13 of this newsletter.
- Please make a formal appointment if you wish to see a teacher. This can be done by emailing the teacher involved and agreeing on a mutually acceptable time between 9.05 am and 3.30pm. If you wish to meet the Head of Middle School, please contact Mrs Andrew on 09 427 0940 or by email: Angela.Andrew@kingsway.school.nz.

- Your child's form teacher will communicate with you by email on a weekly basis. Please ensure that we have your correct email address and check your emails regularly for updated information on what happens in terms of homework expectations, assignments and general news from your child's class and the Middle School.
