

Please note that the turfs for North Harbour Hockey Association are as follows:

Hockey games are played mainly at Rosedale Park in Albany (Constellation Drive turnoff) but can also be played at West Lake Girls High, Rangitoto College and Kristin School. Everyone must be committed to getting their child to and from the games. Remember, parents are often willing to carpool. Trainings are run at the school astro turf.

- **Harbour 1, Harbour 2 and Miller 3** - located at the main stadium arena with the hockey clubrooms
- **Harbour 4** – this is the old Sand Turf at the back of Rosedale near the soccer and softball pitches
- **Kristin** – at Kristin School
- **Rangitoto** – at Rangitoto College
- **West Lake Girls High School** – at 2 Wairau Road, Milford. The best entrance is just back from Atlas Concrete - drive down the back by their sport fields
- **Warkworth/Mahurangi Turf** - Warkworth Showgrounds off State Highway 1 just north of Warworth
- **Mahurangi College** - Woodcocks Road, Warkworth, Auckland
- **Millwater Turf** - Metro park, Silverdale.

Please double check all games and venues on the afternoon of the game to make sure no amendments have been made.
