

Bucket Hat Notice

When purchasing a bucket hat from the Uniform Shop, please try the hat on and decide if it is the right size for your child. If not, please return it to the Uniform Shop and we will swap it for a suitable size.

If you are happy with the fit, please cut the loop at the bottom where the pen is pointing in picture and tie a knot on each cut end. These two knots will prevent the clip from coming off and getting lost and will also help prevent a choking/strangulation hazard.

Unfortunately, once cut, the hat cannot be returned to the Uniform Shop for a swap or refund.

Thank you,

KingsWay School Uniform Shop
